Training Kits to Teach Youth Ages 8-12

"Polite and Proud of it" is an in-depth reference for the basics of etiquette aimed at children ages 8-12. Our "Polite and Proud of it" materials were developed by the experts at www.CivilityExperts.com with excerpts contributed by Louise Fox Protocol Solutions, to help optimize a child's social confidence. "Polite and Proud of it" is a perfect supplement to both the "Macaroni and Please" and "Confidence is Cool" programs.

Topics are arranged into three sections: Respect, First Impressions and Communication Skills. The materials package includes an easy to use 58-page instructor's guide and a 28-page master file for reproducing worksheets and participant materials.

Once children learn basic manners, parents and teachers can build on this understanding to teach children how to behave in a range of social settings, how to manage conflict, and how to show kindness and consideration for others.
